NOTES AND REMINDERS:

- The theme for the Industrial conference will be "Industrial Water and Environmental Economics"
- Nolton Johnson gave an update on the industrial conference program.
- Tim Cash and Linda MacGregor of EPD have agreed to speak at the conference.
- The program will require 12 technical / practical sessions.
- Miltresa McMichael volunteered to champion a session on the Drought.
- Brad Zimmerman put Mike Schlick and himself forward to champion the Reuse session.
- Bill Emberson volunteered to champion the session on Environmental Management.
- Session champions are charged with soliciting speakers for their proposed sessions. The speakers should submit the attached call for abstract form to Nolton Johnson. <mailto:njohnson@geosyntec.com>
- Chris Stanfill gave an update on the awards nominations and inspection processes. If anyone would like to volunteer for inspections or would like to nominate a facility for recognition, then please contact Chris. <mailto:cstanfill@brwncald.com>
- Meeting notes will be posted on the GAWP bulletin board under the 'Industrial' forum.
- The 2009 Industrial Conference is scheduled as follows:
Ø Location Callaway Gardens
Ø Dates Conference - Tuesday 17 and Wednesday March 18, 2008
